To live by faith in God is to make a life journey with love and service. It is a journey of praise to God for being our constant companion all through our journey. In fact, God carries forward our life into a fruitful completion.

Our Venerable Founder Fr. Francis Mary of the Cross Jordan had a very difficult journey right from his childhood, the founding of the Society, even to the very end of his life. In spite of all, he always had a companion who accompanied him all through his life; that was 'Faith'. With no sufficient

members and funds, he visualized through the eyes of faith a congregation that would spread far and wide. He was always aglow with apostolic zeal and spirit 'not to rest content until all people know, love, and serve Jesus as their Saviour'. Our Founder's cherished dream came into fulfillment when the Society of the Divine Saviour (Salvatorians) was founded in Rome in 1881. He exhorted his spiritual sons and daughters to carry forward the apostolic work with trust and confidence by all ways and means which the love of Christ inspires.

Our First Salvatorians came to spread the Good News of the Saviour to North-east of India in 1890. They followed the same zeal of our Founder making known the Saviour to all. They were tested but did not give up, because of their trust in God who accompanied them. Unfortunately they had to make a very sad exit from India due to the First World War. By God's Grace, to continue and reignite the spiritual legacy of our pioneers, our Society was re-established again in India in the year 1989.

Today Our Salvatorian Religious Family has grown by leaps and bounds and spread all over the world. The vibrant Catholic Church in North-east India remembers well the contributions of our first pioneers. Together with the Church, we Salvatorians will be delighted to commemorate the 125<sup>th</sup> anniversary of Catholic Mission in North-east India in 2015. It is also a great matter of joy for us that Indian Mission Vicariate has entered into the Silver Jubilee Year of its establishment. The Jubilee Year fills us with jubilant mood! It is a time of Grace for us! Perhaps, we have witnessed the growth and we have been able to overcome the testing period in building up the Indian Mission Vicariate. Our communities are mostly formation houses and a few of them consist of parishes and schools. The delight of Jubilee year is also a time for us to assess our call and commitment, and galvanize our apostolates so as to make ourselves more vibrant and efficacious in fulfilling the legacy left behind by our Founder and our pioneers. The need of the hour is to grow further to bear witness and proclaim the Saviour to the world with a radical missionary passion.

Nonetheless, where would we be today without God's constant support during those testing days? Our journey was not always a bed of roses, but God walked with us in good and blue days. God is still with us through the benign help of many generous hearts. He has blessed us and filled us with his abiding presence. We ponder over with gratitude the Divine assistance. If we wish to make great things happen then we must have boundless confidence in God and move ahead in life like the Blessed Virgin Mary and Fr. Jordan. "For we walk by Faith, not by sight." (2 Cor 5:7) Our faith tells us that God will continue to refresh us with His life-giving 'Word' and bless us if we walk with Him. Hence, in our journey of life and mission we should never ignore or forget having a companion called 'Faith'.

May the Blessed Virgin Mary, perfect model of Faith! Help us in all our undertakings to make known her Son Jesus, the Saviour of all! Let our Venerable Founder Fr. Jordan and Blessed Mary of the Apostles, who were filled with zeal for the Mission, intercede for us!
